

ACCOUNTABLE TALK

Speaker

- turn and face the listener(s)
- make eye contact
- speak at the correct volume so you can be heard
- speak slowly and clearly
- explain your thinking
- point to visuals as you speak (book, writing, picture, model, etc.)
- stay on topic (talk about what you are supposed to be talking about)
- get to your point as quickly as possible
- answer questions

listener

- turn and face the speaker
- make eye contact
- NOD and SMILE to show you are interested and following along
- listen carefully
- look where the speaker points
- respond with a question or comment after the speaker is finished (no interrupting!)- Use an Accountable Talk stick
- always say "Thank you for sharing!"
